

East Providence Local Advisory Committee For Special Education

Implementing a “Circle of Friends” for Students with Special Needs

This workshop which is hosted by the Parent Advisory Committee on Special Education and is being presented by Deana Dufficy, MS CCC-SLP Speech-Language Pathologist.

“Circle of Friends” is a peer-building process used to develop a network of supporting individuals within the school environment to promote peer understanding and acceptance while building friendships. The Circle of Friends is an exciting process for children who have challenges making friends. Participants will gain understanding about the purpose and benefits of the program, as well as specific details about the implementation process and how it is customized for each child.

Workshop will be held:
