

EAST PROVIDENCE SCHOOL DEPARTMENT PROOF of RESIDENCY PROCEDURE

All students requiring educational or related services through the City of East Providence must first prove legal residence in the City. Students include all school age children attending district public schools, as well as children attending private and/or parochial school, or being home-school, and requesting services, such as but not limited to transportation, special education and related services, books etc.

Only a Parent and/or Guardian can register, change the address, and prove residency.

Three (3) such forms to prove residency are required. One item from each column below needs to be selected and presented at the time of registration, or change of address occurs. They must be in the name of the student's parent/guardian.
