Re: 2011-12 Student Accident Insurance

Dear Administrator:

Lefebvre Insurance, LLC is pleased to have the privilege of administering your Student Accident Insurance program.

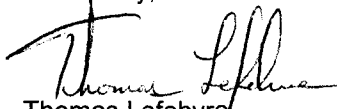

For the 2011-12 school year, our Student Accident Insurance plans continue to be underwritten by ACE American Insurance Company, which is rated A+ (Superior) by AM Best. In addition, all aspects of the insurance relationship, including claims, continue to be handled by our office. This provides parents, medical/dental providers, and school districts with just one office to contact for all inquiries.

New for the 2011-12 school year, our Voluntary Student Accident Insurance will be "brochureless". A .pdf file will be provided to you for placement on each school's website. This will allow parents full access to the forms, at any time, and streamline the enrollment process, as completed enrollment forms are to be mailed directly to our office. It will also eliminate the multiple handling of forms that the school secretaries and teachers have done in the past...a task I am sure will not be missed. The .pdf file will contain a coverletter, the actual brochure, and a claim form. We are expecting the file to be available to forward to you around the end of July.

I have attached your 2011-12 Student Accident Insurance renewal application. The Company requires that this form be signed and returned to me no later than 15 days after the requested effective date. So please sign and date the form, and return it to my office at your earliest convenience.

We look forward to continuing our insurance relationship. Should you have any questions, do not hesitate to call our office by dialing (800) 451-9668, or you also reach me via my direct e-mail address: tom@lefebvreinsurance.com.

Yours truly,

Thomas Lefebvre
