

**East Providence Public Schools  
Email Consent Form**

East Providence Public Schools has created email accounts for all students in order to allow for collaborative sharing within East Providence’s Google for Education domain. These accounts will be used at school for school-related projects. East Providence has their own domain within Google, allowing students and teachers to share resources and communicate online. Students will have access to Gmail, Google Docs, Sites, Calendar, and eBlogger.

The mastery of effective online communications and use of online resources by students is included in the Rhode Island Technology Education standards. We encourage a technology-rich school environment that allows access to the wealth of collaborative and vibrant educational online tools available to students and their teachers.

**No student 13 years or younger will be assigned an email account without parental approval.**

Please fill out and return the permission slip on the back and return to your school by \_\_\_\_\_, \_\_\_\_\_.

All students are expected to adhere to the guidelines in the East Providence Acceptable Use Policy. For a copy of the Acceptable Use Policy, visit the district website, [www.epschoolsri.com/handbooks](http://www.epschoolsri.com/handbooks).
