The Parents and Friends of Meadowcrest invite you and your family to a 2 hour fun filled winter wonderland of fun and activities at Meadowcrest Early Learning Center.

Start off this magical time of year with your child's classmates and friends while enjoying the special arrival of Santa to our school. Students will have the opportunity to have their picture taken with Santa and enjoy creating their very own holiday ornament! Our Santa has been trained to interact with children with special needs at Santa school and did a fabulous job with our students a few years ago.
